Dear Dani,

A note to say thank you so much for inviting me to attend the Croydon In Business Networking Event and to celebrate International Women's Day at the Chateau on Thursday last.

It was great to see Vivian Slattery again when she greeted me together with Victoria from Nat West on the steps to the entrance of the restaurant, that was the beginning of a superb afternoon and company.

I felt very proud of all the women present on the day and their contribution in so many different ways to business and industry. I believe these women represent the future for many women as they inspire and create opportunities for them to encourage more women and girls to generate their own businesses, enterprise and more. I believe that women are trailblazers for a more equal future in business and commerce.

Again thank you so much again for a memorable and enjoyable event.

Yours sincerely

---
